PACIFIC BUILDING TRADE EXPO By AIA/CSI

The16th Annual Pacific Building Trade Expo by the AIA/CSI at the Hawaii Convention Center was held on Tuesday, November 17, 2015. The TCAH had a total of fourteen (14) member booths which was the largest so far! One of our members, Masonry Institute of Hawaii sponsored the guest speaker, John Chrysler. The quarterly newsletter from the Tile Contractors Association of America, *9300 Contractor* ,was once again distributed at each member booth. We are grateful to our members who continuously assist in spreading the word, educating customers and promoting the tile industry.
