Legislative Report – Bills That DIED (Favorable for Subcontractors)

SB 1068 HD. 1 Allow the GC to change list of subs if there were license problems due to insurance or renewal issues but would allow them to list false subs, shop and substitute later.

HB 573 Allow the GC two hours after they have filed a bid with the state or county to change their subs for some unreasonable reasons that would have allowed game playing, allowed a sub to file suit if they could prove bid shopping which would then prevent the sub from getting a job again from that GC.

HB 1229 Would increase the total amount of a job from \$250,000 to \$1,000,000 when a GC did not have to list his subs (particularly would hurt subs on smaller renovation jobs).

HB 1322 Give \$500,000 to the State Procurement Office to study the federal law (which does not have sublisting) and to make recommendations for possible changes next year.
